Ice Sculptures require one cloth and skirted table per sculpture. Please refer Section C of your invoice labeled equipment. The size of the drip pan will determine the amount of space required on your table.

If we sent you a proposal please provide the number or letter of the sculpture you are ordering from that proposal. Please also provide the description provided on the proposal. If you are ordering a sculpture with names or initials, or a special phrase, please place in quotes. If we are reproducing your logo, be sure to email us a hi-res jpg, eps, or pdf file. If we are freezing a picture into the ice, please email us a hi-res image. Email to greg@rockonice.com.

Lighting Options

We recommend Classic White lighting for all sculptures as it provides the brightest light. If you choose color lighting there is an additional fee of \$10. If you are having a colored logo reproduced or there is color included in your sculpture then you do not want any color for lighting. If your logo is Classic white then color lighting is an option. For events during the day lighting is not as important. Outdoor events during the day no lighting will be provided. All lighting is battery operated, no electric needed.
